Salt Lake Republican. - The mis-

sionary society of the Sandwich Is-

April 8. Not many people are aware

of the large number of prominent men

and women who have at one time or another filled missions to that beauti-

ful faraway land. Two of our repre sentatives in Congress, John T. Caine

and Senator Reed Smoot, have been in

Hawaii. President George Q. Cannon

was one of the early and most famous

missionaries to the country, while

President Joseph F. Smith has been

there many times, and is the best Ha-

Invitations to the coming reunion are

puzzlers; they are written in the Ha-

waiian language on royal colored pa-

per, and whoever gets one will have to

hunt up an interpreter. And they are

worth the trouble, for they disclose

some very delightful features as a part

of the coming entertainment. First,

the party is to be an old-fashioned

for whoever saw a native or a white

man or woman on the islands dressed

in anything but white for festive oc-

casions?" There is to be a wonderful

feast of poi, beef, fish, pork, salted

nuts, eggs, pickles, bananas and

oranges. At least those are the Eng-

lish equivalent for the puaa, inamona,

kamano mo'a, maia and alani, hua moa

mo'a, which spreads over one whole page of the invitation. Twenty tables

will be spread in the large kitchen

apartment, and a liberal rivalry is

manifested between the ladies as to

whose table shall be the most inviting.

The natives out at Skull Valley, or

Josepha, are already busy preparing

wreaths and leis for this event. And

then, there are to be white-robed na-

tive lads, who will wait upon tables

and assist in the program of native

music. Not they alone; there are some

fine youths, and lovely maidens, who

were either born on the islands or who

have spent some years of childhood

there, and these will take part in the

mysterious progressive quadrille, which is being arranged for this occasion. The

dancing will be led by President Joseph

composed of some of the handsomest

children of Sandwich Island mission-
